If no proof is provided documenting the player’s division participation, then the player’s age as of July 31, 2007, will be used as the criteria. For example, an under-10 player may not have turned 10 on or prior to July 31, 2007 and would therefore have a birth date of 8/01/1997 or later. **NOTE: A player can only play for one (1) team during this tournament.**

However, the injured player may not reenter the field of play for the remainder of the quarter unless his/her team is playing with less than the full amount of players allowed on the field, and then only with the permission of the referee. The injured player is the only player credited with that quarter of play.
- f. Players will not be allowed to play with any type of cast or splint. This is in accordance with AYSO National rules.
- g. During an individual match, no player shall participate in a fourth consecutive quarter of play unless or until all other players from that team have already participated or are participating in their third quarter of play. - h. All teams are required to have an alternate set of jerseys. In the event that both teams in a match have similarly colored uniforms, the referee may request that the designated home team change jerseys. The designated home team will be the first team listed on the game schedule. If a team is unable to change jerseys upon the request of the referee, that team may forfeit that match by a score of 1-0.
